

# UIC STUDENT COLLOQUIUM

## Department of Physics

**Wednesday, February 26, 2020**

**“Planning for Life After Your Thesis**

**Cynthia Graham**

*Assistant Director – UIC Office of Career Services*

**Prof. Corrinne Mills**

*University of Illinois Chicago*

Cynthia Graham, Assistant Director of UIC Office of Career Services (OCS) will provide a presentation of the available services offered by OCS. Highlighting non-academic career routes and the support offered by OCS in finding and internships, work on-campus, exploring career options, or preparing for an upcoming interview.

Prof. Corrinne Mills (UIC/Fermilab) will offer her perspectives on the traditional academic career path post-PhD, involving first postdoctoral research positions, and subsequently finding a tenure track professorship. She will discuss the opportunities and potential pitfalls of the academic career route along with her personal experiences.

**The Department of Physics Colloquium will be held at 3pm in 238 SES.**

*\*Refreshments will be served from 2:45 pm to 3pm outside of room 238 SES*
